EDUCATION

Vanderbilt University edX Full Stack Developer Bootcamp, Nashville, TN   **February 2023 - August 2023**
- A 6-month intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, React, and Next.js. Developed proficiency in frontend design patterns, user-facing UI and UX, and other core Javascript technologies.
- Collaborated with team members to implement real-world projects, mimicking the working conditions with core engineering, Product, and Design teams.

Google Cloud Skill Boost Course on Generative AI   **2023**
- Learned about generative AI, including large language models, GANs, and diffusion models. Gained hands-on experience with cloud technologies.

Vanderbilt University via Coursera, Nashville, TN   **Expected Completion September 2023**
- Prompt Engineering for ChatGPT

University of North Carolina at Greensboro   **2005 - 2009**
Bachelor of Music, Jazz Studies, Guitar Performance, cum laude

SKILLS
- Programming Languages: HTML, CSS, JavaScript
- **Frameworks/Libraries:** React, Node.js, Next.js
- Experience with auditing and refactoring existing frontend patterns
- Strong communication skills, proficient in both written and verbal English
- Autonomous and problem-solving skills, capable of leading/enforcing design patterns
- **Database:** MySQL, MongoDB
- **Cloud Platform:** Google Cloud Platform

EXPERIENCE

Kane Brown   **January 2018 - March 2023**
Backline Crew Chief
- Managed stage setups and tech operations, demonstrating strong problem-solving skills and attention to detail.
- Coordinated stage hands for load-in and load-out, showcasing leadership and strong communication

Barry Mannilow   **July 2017 - December 2017**
Backline Tech
- Provided technical support and coordination for stage hands, exemplifying team collaboration and problem-solving abilities.

Jacob Whitesides   **February 2015 - November 2017**
Production Assistant, Stage Manager, Backline Tech, VIP Coordinator, Photographer, Lighting Tech
- Coordinated daily schedules, planned routes, hotels, interviews, and entertainment for the touring party, showcasing excellent time management and organizational skills.
- Kept track of all financial responsibilities and ensured the team stayed under budget, demonstrating financial management and problem-solving skills.
- Oversaw promotional activities; i.e. TV, radio and press interviews at the venue or at other locations.
- Ensured all touring equipment was re-packed and loaded back onto tour transport.
- Prepared band and crew schedule sheets for the next day.
- Organized tours throughout the United States, Canada, and Europe.
- Organized daily VIP Meet and Greet with over a 100 fans.
